Dear Mr. Owen:

Re: Review of May 8, 1992 Submittal, Bear Canyon Mine, Co-Op Mining Company,  
ACT/015/025, Folder #2, Emery County, Utah

A review of the above-noted submittal has been done. The Stream Buffer Zone section was approved June 3, 1992. Other sections, however, cannot be approved. Page and plate changes have been made without an explanation as to the revision made. This letter is a request to identify each of the changes made for the May 8, 1992 submittal and a blanket request to explain and note changes in all future submittals.

Please resubmit the May 8, 1992 (except the Stream Buffer Zone Section) submittal by June 30, 1992. Thank you.

Sincerely,

Pamela Grubaugh-Littig  
Permit Supervisor
